TERMS & CONDITIONS

1. Medical or Dietary requirements:

Only those diets required due to medical health concerns may be accommodated. Please ensure that if you suffer from e.g. coeliac disease or similar that you include direction from your physician on your dietary requirements.

2. Documentation

For security reasons, your information will be shared with *Homestay in Trim* coordinator, Irene Heffernan.

3. Homestay family Rules:

As a guest in the homestay families' home, all reasonable rules should be adhered to.

Assuming all visitors are above the legal drinking age, alcohol consumption in the homestay house can be discussed with the family.

Drug taking is strictly forbidden and will result in immediate removal from both the homestay and the Blackfriary program.

During summer months in Ireland, use of tumble dryer is very limited as outdoor drying is possible. Please be mindful of this when requesting laundry.

4. Disputes & grievances

Homestay in trim will ensure that you are placed with a suitable family from *Homestay* family network. All families have been carefully selected and vetted by Homestay and are experienced in housing students enrolled in the Blackfriary Program. Should however, you or your host family have any problems during your stay, *Homestay in Trim* will work to resolve any such issues.

I, the undersigned have read and understood the terms and conditions as laid out above. I will comply with the aforementioned points.
